Yellowcard

Take me home, take me home, I am lost in the world
All I know, all I know, is that I miss you more
It was cold on the street and my heart skipped a beat
When you said you'd be mine
Now I fear I might freeze, so I'm asking you please
Would you let me inside?Oh, you never change
So that's why I stay
Oh, I'll never go
So you won't be aloneWhich way now, which way now, is this road gonna end?
Tell me how, tell me how, I am wandering again
