

# From My Cold Dead Hands (Remixed by Nitro Noise)

## Combichrist

A god decaying  
A starving faith  
My world has fallen  
Let's start a war  
Miseducation  
A sacrifice  
A modulation  
Of all our hateMachines are praying  
We are the bait  
A dark upon us  
We'll start to fall  
A presentation  
We fight with pride  
HumiliationFrom my cold dead handsDo what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it awayFrom my cold dead handsDo what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it awayThey try to hold us  
Held by our necks  
The air is changing  
Breathe poison gas  
An absolution  
We'll get there fast  
They will enslave us  
My mind is free  
A new world order  
Where we'll be slaves  
Under a system  
Control our lives  
Where we'll be punished?  
For how we live

## Elimination

Free will is killed  
From my cold dead hands  
Do what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it away  
Fallen nations got away  
Lives are changing  
We're the prey  
Time is changing  
We're at war  
What we're breathing  
Fighting for  
Do what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it away  
Do what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it away  
Do what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it away  
Do what I wanna do  
Say what I wanna say  
They wanna take it away  
From my cold dead hands  
The price of being free  
And what it means to me  
They wanna take it away
