

Right To Cry

Asia

He kept it all inside - alive and screaming
Tears were not his style, his pride was leading I watched the light dancing on the sea
As it turned to grey
Oh, how I wish that the tide would soon return
Someday, someday I've a right to cry
That's not giving in
Scars from you and i, scars we kept within
There's a right to cry, it's not giving up
With my right to cry, now I've had enough It's hard to break the bones of life, of living
A side you'll never show, let go, don't need it Hold on, hold on, hold on
I can see in your eyes and I know how you're going to feel I watched the light dancing on the sea
As it turned to grey
Oh, how I wish that the tide would soon return
Someday, someday I've a right to cry
That's not giving in
Scars from you and i, scars we kept within
There's a right to cry, it's not giving up
With my right to cry, now I've had enough
