Lady Shadow

The Knutz

When the house fell asleep in silence
Something sweet and fragrant approached my room
Quietly sly, loving as a weed, offered in the lust of its footsteps
As the one that fits into high heels and pointed shoes
Linking up on me like a vine about to parasite meI'm cold and warm, evil and poisonous
You fell into my web... You have no way out...
Terrible, horrible, monstrous and vile
My name is Lady Shadow, I am seeking you for milesI am the Black Widow
Widow of love
I'm the spider, I'm sneaky, I'm greedy and eroticaThe throat cruel is heaving with desire
Everything in you burns in anger
Without love or shame or scruples
Only passion and lust
You trapped yourself it's gonna be your endI am the Black Widow
Widow of love
I'm the spider, I'm sneaky, I'm greedy and eroticaYou trapped yourself it's gonna be your end
And I will never satisfy myself without you
