

Do Fries Go With That Shake

George Clinton

You know you look marvelous!
Oh oh, oh oh...
Oh I said the damndest things.
Last night when I was runnin' games.
I said "
Baby, can I cut your cake".
Oh can I have it my way.
Don't I deserve a break today.
Them burns, I like the way you bake.
Runnin' fever at a hundred and ten.
Do fries go with that shake!?
Do fries go with that shake!?
Do fries go with that shake!?
Do fries go with that shake!?
He says that he possessed the beef.
One quarter pounder just for me.
A Whopper that sure to "satisfry".
Called me Legs Mc
Muffin.
And he ordered a kiss.
I said I'll take a filet of this.
Please don't fry it!
Do fries go with that shake!?...
You know you look marvelous!
I'm a fast food junkie.
And I need a fix.
Without your sugar.
I'm gonna be sick.
So don't try it.
It's calorie-free and nutrasweet.
The love of you has gotten me on a diet.
Do fries go with that shake!?...
Oh he says the damndest things.
Last night when he was runnin' games.
He said "
Baby, can I cut your cake".
Oh can I have it my way.
Don't I deserve a break today.
Them burns, I like the way you bake.

Runnin' fever at a hundred and ten.

You know you look marvelous!

He called me Legs Mc

Muffin.

And he ordered a kiss.

I said I'll take a filet of this.

Please don't fry it!

I'm in possession of the beef.

One quarter pounder.

Check n' see.

Mc

Whopper that sure to satisfy.

Do fries go with that shake!?!...

Do shake go with that fries!?!...

I don't know.

You know you look marvelous!

Do fries...

Do shake go with that fries!?
