

# Fades Like A Photograph (dead Angel)

## Filter

Have you ever seen the stars at night  
And wondered, "Why so bright?"  
Have you ever seen the sunset on a cloudy night  
And wondered, "Why tonight?"

And maybe there's just one time with you  
I want to remember for eternity.  
(For eternity.)

Photographs taken,  
Like memories of you, they disappear.  
Colors of your eyes, they fade with time  
They just can't stay clear.

Fades like a photograph  
Just want to bring you back.

Have you ever seen the bottom of the ocean from a plane?  
What a sight.  
Have you ever seen a sunrise in the snow cap mountains?  
The twilight.

And maybe there's just one time with you  
I want to remember for eternity.  
(For eternity)

Photographs taken,  
Like memories of you, they disappear.  
Colors of your eyes, they fade with time  
They just can't stay clear.

Photographs taken,  
Like memories of you, they disappear.  
Colors of your eyes, they fade with time  
They just can't stay clear.

Fades like a photograph  
Just want to bring you back.
