

# Turn On The Lights (remix)

## Future

I?m lookin? for ?er  
I?m lookin? for ?er  
I?m lookin? for ?er  
I?m lookin? for ?er  
Just get her in the VIP-line  
With a V-turn and I-serine  
Cause she drive a Nissan and she gonna be mine  
I don?t want ?er cause she from the corner  
And I heard that Beamer was a loner  
Her old man, the owner  
And I don?t need to drink Corona?s  
We?re the type to drink tomorrow  
No champagne forever  
Auderves spiked forever  
You?ve come to soothe me  
If you?d like, change the weather  
If we?re gonna live better  
We can buy a crib, whatever  
Don?t get too thirsty, get used to this cedar  
I wanna tell the world about you just so they can get jealous  
And if you see ?er ?fore I do tell ?er I wish that I?ve met ?er  
Turn on the lights  
I?m lookin? for ?er too  
I know she keep her promises, ain?t never cern on you  
I heard she ain?t goin? cheatin? and she gon never make no move  
I heard she be there anytime you need ?er, she?ll call you  
Turn on the lights  
I?m lookin? for ?er  
I?m lookin? for ?er  
I?m lookin? for ?er  
Turn on the lights  
I?m lookin? for ?er  
I?m lookin? for ?er  
I?m lookin? for ?er  
Send ?er my way  
Tell ?er I?ve been lookin? for ?er and I brought a date  
Hangin? with the dope boys in the hallways  
And I know, to keep ?er, man, you gotta get that cake

Turn on the lights

I?m lookin? for ?er too

I heard she got a pretty face and stand up like a stallion  
I heard that she a precious jewel, you treat her to medallions

I wanna be the one to find out if I go to probly  
And if I get to know ?er, you know I can?t wait the dollars

And if we get together, girl, you know we gon be wallin?  
And when we get together we make magic and it?s ours  
Whenever you will put it in, nobody can do about it

Turn on the lights

I?m lookin? for ?er too

I know she keep her promises, ain?t never cern on you  
I heard she ain?t goin? cheatin? and she gon never make no move  
I heard she be there anytime you need ?er, she?ll call you

Turn on the lights

I?m lookin? for ?er

I?m lookin? for ?er

I?m lookin? for ?er

Turn on the lights

I?m lookin? for ?er

I?m lookin? for ?er

I?m lookin? for ?er

I?m lookin? for ?er

She a hood girl

But she a good girl

She will miss me

Now she ready for the world

I want your energy

To take control of me

I?ve tried to go to sleep

And seen ?er in my dreams

Just in case I run across to the day I?mma stay clean

Just in case she recognize a face, send ?er to me

And tell ?er I?ve been lookin? for ?er with a flashlight

You can tell ?er even that because I got my cash right

And tell ?er if she honest and promise she stay true

But sure, when you tell ?er, tell ?er we go out past the moon

Turn on the lights

I?m lookin? for ?er too

I know she keep her promises, ain?t never cern on you  
I heard she ain?t goin? cheatin? and she gon never make no move  
I heard she be there anytime you need ?er, she?ll call you

Turn on the lights

I?m lookin? for ?er

I?m lookin? for ?er  
I?m lookin? for ?er  
Turn on the lights  
I?m lookin? for ?er  
I?m lookin? for ?er  
I?m lookin? for ?er  
I?m lookin? for ?er
