

# Anything Goes

## Guns N' Roses

I been thinkin' bout, thinkin' bout sex  
Always hungry for somethin' that I haven't had yet  
Well maybe baby you got somethin' to lose  
Well I got somethin', I got somethin' for you My way, your way  
Anything goes tonight  
My way, your way  
Anything goes Panties 'round your knees with your ass in debris  
Doin' dat grind with a push and squeeze  
Tied up, tied down, up against the wall  
Be my rubber made baby an' we can do it all My way, your way  
Anything goes tonight  
My way, your way  
Anything goes tonight, yeah My way, your way  
Anything goes tonight  
My way, your way  
Anything goes tonight Oh, my way, your way  
Anything goes tonight  
My way, your way  
Anything goes tonight, oh yeah My way, your way  
Anything goes tonight  
My way, your way  
Anything goes to My way, your way  
Anything goes tonight, tonight  
Tonight, tonight  
Anything goes tonight Said anything goes tonight
