

# One Step Closer

## The Doobie Brothers

Baby, there's a chance you ought to take  
Chance of a mistake you gotta make  
Maybe I'm mistaken  
To take my chance with you  
I need you like a shadow needs a light  
I'll follow you like morning follows night  
When nothing's left ahead of you  
I'll be right behind you  
Shadows disappear at night  
We both know it's a shame if you should lose one  
Why is it so hard to find?  
Tell me that you're right there too  
One step baby  
Two steps maybe  
One step closer  
I'll be next to you  
Baby, it's a secret I can't keep  
Trouble comes and suddenly you're weak  
I don't believe you got the strength  
To fight this kind of love  
I know it's risky now and then  
What with all the what ifs and the whens  
Who is there to say we're wrong  
To tell us it can't be  
Come on, baby, please don't go  
I'm no heart of stone and you know  
Why is it so hard to do?  
Tell me that you're right here too, baby  
Baby, can't you see we're runnin' late  
Can't you see we ain't got time to wait  
Might be that you're scared of me  
Of something you might feel  
Hold on to me, baby, hold on tight  
I can take us through the night all right  
Maybe I will stay here  
To take my chance with you  
Shadows disappear at night  
We both know it's a shame if you should lose one  
Why is it so hard to find?

Tell me that you're right there too

One step baby

Two steps maybe

One step closer
