

Phantom of the Opera

Iron Maiden

C'mon yeah I've been looking so long for you now
You won't get away from my grasp
You've been living so long in hiding
In hiding behind that false mask And you know and I know that
You ain't got long now to last
Your looks and your feelings
Are just the remains of your past You're standing in the wings
There you wait for the curtain to fall
Knowing the terror and holding
You have on us all Yeah, I know that you're gonna
Scratch me and maim me and maul
You know I'm helpless
From your mesmerizing cat call
Uh Keep your distance, walk away
Don't take his bait
Don't you stray
Don't fade away Watch your step, he's out to get you
Come what may
Don't you stray
From the narrow way Uh, uh I'm running and hiding in my dreams
You're always there
You're the phantom of the opera
You're the devil, you're just out to scare You damaged my mind and my soul
It just floats through the air
You haunt me, you taunt me
You torture me back at your lair
