For the Good Times

Jerry Lee Lewis

Don't look so sad; Lord, I know it's over
But, honey, life goes on, and this old world will keep on turning
Let's just be glad we had some time to spend together
There's no need to watch the bridges that we're burningLay your head upon my pillow, hold your warm and tender body close to mine
Hear the whisper of the raindrops blowing soft against the window
And make believe you love me one more time for the good timesI'll get along (yes, I will, darlin'), you'll find another
And I'll be here if you should find you ever need me
Don't say a word about tomorrow or forever
Honey, there'll be plenty time enough for sadness when you leave meJust lay your head upon my pillow, hold your warm and tender body close to mine
Hear the whisper of the raindrops blowing soft, Lord, against ol' Jerry's window
And I make believe, darlin', you love me just one more time for the good times
(Think about that, baby, for them old good times just one more time)
