

Lets Go Deeper

MC Hammer

Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeperHow...we need it how
We achieve it first, we get knowledge then
We abolish ignorance in our people then
We go deeper, this is a thought that I bring, so think with the music and sing
(oooooooooooo oo oo oo oo oo oo ooooo, think with the music and sing, yeah ooooooooo oo oo oo oo oo oo ooooo)
Take them to the holeLet's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeperI think...so I am equal to
Any man next to me, no matter who or what
We could be here, from there colorblind so
I don't care, this is a thought that I bring, so think with the music and sing
(oooooooooooo oo oo oo oo oo oo ooooo, think with the music and sing, yeah ooooooooo oo oo oo oo oo oo ooooo)
Take them to the hole, deeperLet's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeperScientific...is the formula
Thinking like that, they own you
Rock stops and bell
Then your problem, you flush or flail
In your thoughts, you've been bought
And generations, we made a cost, this is a thought that I bring, so think with the music and sing
(oooooooooooo oo oo oo oo oo oo ooooo, think with the music and sing, yeah ooooooooo oo oo oo oo oo oo ooooo)
Yo! We at the hole, hit itLet's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeperMoney...is power
Now is the hour to, make a move
Sleeping dogs, they don't move, they lie, steal
We know how to go deeper, in time
Money yo, it change minds
(oooooooooooo oo oo oo oo oo oo ooooo, think with the music and sing, yeah ooooooooo oo oo oo oo oo oo ooooo)
Yo! We at the hole, hit itLet's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeperPoverty...a tradition

Stuck is our condition
Learn, from having welfare your son gotta have it
Others, just choose so I was and booze
I hate that we lose, to crack dope is a rule
(oooooooooooo oo oo oo oo oo oo ooooo, think with the music and sing, yeah ooooooooo oo oo oo oo oo oo ooooo)
Yo! We back at the hole, hit itLet's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeperElevate...yo mind
Pull and climb higher
Increase your desire, to obtain knowledge
Is fame wrapped up, and done
You, you be the one
(oooooooooooo oo oo oo oo oo oo ooooo, think with the music and sing, yeah ooooooooo oo oo oo oo oo oo ooooo)
Man, we back at the hole againLet's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper(break it down)
Let's go deeper, we wanna go deeper
Let's go deeper, we gotta go deeper
