

A Light at the End of the Tunnel

Idiot Pilot

A light at the end of the tunnel
A secret society and regents stay there
In this attack their tunnel Atop the plateau and broken peace
I wish I'd done all that before
I pulled the trigger The Devil said, "I'm dead
I need a favor, I need you, to doctor
Some false documents with me"
How could [Incomprehensible] It's there, this is you
