No Control

Ima Robot

There's no controlI think I'm psycho
I met you once and now I'm cookin' up a fancy
if you could do what my right hand does to me
I might blow
don't you know that i got a girl who loves me
Now you got to stop, please don't stop
girl , can't you see?
I'm out of control, I'm out of control
stuck in traffic
and out of control
In the shower she is my hand
and I am her hot lovin' manHey Trina Deevovacina
OoOoh
So sticky, can't get you off my hand
This ain't a fever, I'm a believer
OoOoh
There's no control
Hey Trina Deevovacina
OoOoh
So sticky, can't get you off my hand
This ain't a fever, I'm a believer
OoOoh
There's no controllalalalalalala
(yeah, like this)
ah ah ah ah ah ah ah!
(yeah!)I'm crazy
Fantasies in my head, fucking with my health
I'm loving her madly in a room by myself
Oh baby, like I said I only met her one time
Yeah I know it's insane, and i can't restrain, but i can't deny
I'm out of control
I'm out of control
stuck in traffic
out of control
In your bathroom she is my hand
Trina, Do you understand!?Hey Trina Deevovicina
OoOoh
So sticky can't get you off my hand
This ain't a fever, I'm a believer

OoOoh
There's no control
Hey Trina Deevovacina
OoOoh
So sticky, can't get you off my hand
This ain't a fever, I'm a believer
OoOoh
There's no controllalalalalalala
(yeahh there's no control)
lalalalalalala
(there's not control)
ah ah ah ah ah ah ah!
