A Little Opus

Little Comets

As my life goes on I believe
Somehow something's changed
Something deep inside
Ooh a part of meThere's a strange new light in my eyes
Things I've never known
Changin' my life
Changin' meI've been searchin'
So long
To find an answer
Now I know my life has meaning
Ow ohNow I see myself as I am
Feeling very free
Life is everything
Ooh it's meant to be
When my days have come to an end
I will understand
What I left behind
Part of meI've been searching
So long
To find and answer
Now I know my life has meaning
Woah woahSearching
Don't you know
For an answer
To the question
Oh yeah
Who am I?
Baby
Baby it's true
It's only natural
It's only natural baby, yeah
Good things
In life
Take a long time
Yeah yeah
