

# I Do Believe

## Waylon Jennings

In my own way, I'm a believer  
In my own way, right or wrong  
I don't talk too much about it  
It's something, I keep working on  
I don't have too much, to build on  
My faith has never been that strong  
There's a man in that old building  
He's a holy man, they say  
He keeps talking about tomorrow  
While I keep struggling with today  
He preaches hell, fire and brimstone  
And heaven seems so far away  
I do believe in a higher power  
One, that loves us one and all  
Not someone to solve our problems  
Or to catch me when I fall  
He gave us all a mind to think with  
And to know what's right or wrong  
He is that inner spirit that keeps us strong  
In my own way, I'm a believer  
But not in voices, I can't hear  
I believe in a loving father  
One, I never have to fear  
That I should live life at it's fullest  
Just as long as I am here
