Atrocity

Dollarhyde

I don't want to die, don't expect me to die
I've got my enemies within my sights
We're looking through a stain glass genocideI don't want to die, don't expect me to die
What's joy without the tears filling our eyes?
Memories of a perfect timeWe dream of nothing or so we say
We dream of discovering a perfect trail
To the answers that will seal our pale facesThat can't happen now it flickering out
Will we meet again? I hope somehow
Even if we pass you on your way outI don't want to die, don't expect me to die
We can live forever
I don't want to die, don't expect me to die
We can live forever
