

Try (Just a Little Bit Harder)

[Roxette](#)

I left and wrote down this song 'cause my life looked so shattered
I thank the Lord I'm still strong like before
I picked myself up from the floor and tried I tried just a little bit harder, oh yea
If someone wants you to bleed and it feels like your're dying
Don't make the moves you don't need, don't cry, just say ba-ba-bye-bye and try, try Try just a little bit harder,
you'll survive
Try just a little bit harder, go ahead and try Mondays and rainy days were in my pocket
I don't want to send them on to you
Bring them home to you
