

# Slow Jam

Usher

I was all alone  
I was feeling rather low  
I needed someone to lift my spirits up  
So I dropped in on a dance Just to take a glance  
And there this lovely thing was  
She was more than enough  
I asked her for her hand Said would you like to dance  
So pleased that I had asked  
She quickly took my hand  
And we danced and fell in love On a slow jam  
Ohh Play another slow jam  
This time make it sweet  
On a slow jam  
For my baby and for me  
Play another slow jam  
This time make it sweet  
On a slow jam  
For my baby and for me Seems what you say is true  
I feel the same way too  
You see I've waited all night long just to dance with you  
And when you touched my hand  
I knew you were the man To turn my world around  
And make my dreams come true  
The magic in your eyes, made me realize  
That everything I feel, has got to be real  
And we danced and fell in love  
On a slow jam Play another slow jam  
This time make it sweet  
On a slow jam  
For my baby and for me  
Play another slow jam  
This time make it sweet  
On a slow jam  
For my baby and for me I'm trying to find someone who  
I can give my good lovin' to  
Never, ever did I dream I'd find someone, yeah Now I've been to find someone too  
I prayed to heaven, and then I found you  
I swear I fell in love the night you danced into my heart Play another slow jam  
This time make it sweet

On a slow jam  
Can I get a slow jam  
Do you want to slow jam, baby  
Play another slow jam  
This time make it sweet  
Can I get a slow jam  
Play another slow jam  
Are you gonna slow jam
