

In Me

Rebecca St. James

You said the words and made the Heaven's
You breathed the stars and put their place in the sky
You waved Your hands, painted a sunset
You smiled and gave a heartbeat life Crazy to think
That Your holy hands made everything I see
It's so hard to believe
That You, the God of creation say, I've got this power In me, there is strength to move a mountain
In me, there is faith to walk on water
In me, if I just believe
The way and the truth and the life is in me, in me So please remind me when I feel useless
That my flesh and bone has more than meets the eye
Because you burn like a fire within me
And there's nothing out of reach when I
Let Your spirit loose and be alive 'Cause in me there is strength to move a mountain
In me, there is faith to walk on water
In me, if I just believe
The way and the truth and the life is in me You said the words and made the Heaven's
You breathed the stars and put their place in the sky
You waved Your hands, painted a sunset
You smiled and gave a heartbeat life You set the world in motion
Put the waves in the ocean
And when it all comes down
I've got to believe that
You the God of creation say I've got this power In me, there is strength to move a mountain
In me, there is faith to walk on water
In me, there is strength to move a mountain
In me, there is faith to walk on water
In me, if I just believe
The way and the truth and the life Oh, the way and the truth and the life is in me
Is, yeah e, yeah e, yeah, in me, in me
Yeah, e yeah, e yeah, e yeah, e yeah, in me Your strength in me
Your hope is in me You said the words and made the Heaven's
Breathed the stars and put their place up in the sky
You waved Your hands, painted a sunset
Smiled and gave a heartbeat life Crazy to think
That Your holy hands made everything I hear, I feel, I see
It's so hard to believe, I got this power in me
Power in me, I got this power in me
Power in me, I got this power in me
