

Even When I'm Sleeping

Leonardo's Bride

Don't be confused by my apparent
Lack of ceremony, my mind is clear
I may be low or miles high off
In the distance, I want you nearI love you
Even when I'm sleeping
When I close my eyes
You're everywhereAnd if they take me flying
On the magic carpet, see me wave
If our communication fails
I'll reconnect it, I want to raveI love you
Even when I'm sleeping
When I close my eyes
You're everywhereNo matter where the road
Is leading us, remember, don't be afraid
We have a continent that sometimes
Comes between us, that's okayI love you
Even when I'm sleeping
When I close my eyes
You're everywhere
