

# Mr. Worldwide (Intro)

## Pitbull

Vain, let's go  
Let's welcome everybody to planet pit  
And show 'em what worldwide music is

They call me Mr. Worldwide  
Let's show 'em why they call me Mr. Worldwide  
Why you think they call me, Mr. Worldwide?  
Let's show 'em why they call me Mr. Worldwide  
Hold up 'cause, now worldwide

When you become involved in the music business  
But the funny thing is that half these fools don't know music  
Don't know business, have no business in music, what is this?

I learned from the best, stayed away from the worst  
Now I send off every verse in a hearse  
Now every day is fifteenth and the first  
No more food stamps, church

You boys can't get passed third base  
Mad about your MC searchin'  
I couldn't care less and couldn't give a fat baby's ass  
If the car's got curtains

So they reap for the block  
I speak to the globe, I got the model ?  
Better do your homework papito  
I took the 305 worldwide

Well I took the 305 worldwide

Why you think they call me, Mr. Worldwide?  
Let's show 'em why they call me Mr. Worldwide  
Why you think they call me, Mr. Worldwide?  
Let's show 'em why they call me Mr. Worldwide  
Hold up 'cause I am worldwide
