

# It's Five O'clock Somewhere

## Jimmy Buffett

The sun is hot and that old clock is movin' slow  
And so am I  
Work day passes like molasses in winter time  
But it's July  
Getting paid by the hour and older by the minute  
My boss just pushed me over the limit  
I could call him something  
Think I'll just call it a day  
Pour me something tall and strong  
Make it a hurricane before I go insane  
It's only half past twelve but I don't care  
It's five o'clock somewhere  
This lunch break is gonna take all afternoon  
Half the night  
Tomorrow morning I know there'll be hell to pay  
But, hey, that's all right  
I ain't had a day off now, in over a year  
My Jamaican vacation's gonna start right here  
If the phone's for me you can tell them  
I just sailed away  
Pour me something tall and strong  
Make it a hurricane before I go insane  
It's only half past twelve but I don't care  
It's five o'clock somewhere  
I could pay off my tab, pour myself in a cab  
And be back to work before two  
At a moment like this, I can't help but wonder  
What would Jimmy Buffett do  
Funny you should ask Alan, I'd say  
Pour me something tall and strong  
Make it a hurricane before I go insane  
It's only half past twelve but I don't care  
Pour me something tall and strong  
Make it a hurricane before I go insane  
It's only half past twelve but I don't care  
it's five o'clock somewhere  
But he don't care, I don't care  
Together  
It's five o'clock somewhere
