Rock

[Groove Coverage](#)

Rock LyricsI guess you don't know what to say.
I guess you don't know what to do.
Me the little girl at school, you loved to play me for a fool.
I guess you don't know what to say, shut up and watch me on TV.
No, it's not the little me, I finally made it as you see.
All your words, they made me strong.
As I told you, you are wrong.
It's for you I just keep pushing on.Refr.:I'm gonna rock.
Till the day that I die.
And I never give up.
Today it's my time.
Well, I'm gonna rock.
Till the day that I die.
And I never give up.
Today it's my time.
And today it's my time.You told me I could never be a woman living all her dreams.
I guess it's hard for you to see that I'm no longer on my knees.
Thanks for making me that strong and that you made me write this song.
Live your life and keep it on, when you reach me I'll be gone.
All your words, they made me strong.
As I told you, you are wrong.
It's for you I just keep pushing on.Refr.:I'm gonna rock.
Till the day that I die.
And I never give up.
Today it's my time.
Well, I'm gonna rock.
Till the day that I die.
And I never give up.
Today it's my time.
And today it's my time.You told me I could never be a woman living all her dreams.
I guess it's hard for you to see that I'm no longer on my knees.Refr.:Well, I'm gonna rock.
Till the day that I die.
And I never give up.
Today it's my time.
Well, I'm gonna rock.
Till the day that I die.
And I never give up.
Today it's my time.
Well, I'm gonna rock.

Till the day that I die.
And I never give up.
You know it's my time.
Today it's my time.
