

# Brandon

## Motley Crue

You bring those tears into my eyes so well  
I've been waiting for this day so long  
Brandon, I love you

You are the one, Brandon, my son  
You run around and chase the clouds  
I only want you to be yourself  
Forget me not, you're all I've got  
As you can see

You are the one, Brandon, my son  
Your mother gave birth to you with love inside  
She had candlelight and songs of life  
Brandon, I love you, I love her, she is your mom  
True love is ours, nobody else  
I only want you to be yourself  
And when I'm gone, don't cry for me  
We'll always be one  
You are my son, you are the one  
You are the one
