

I Want To Be Loved

Muddy Waters

The spark in your eye sets my soul on fire
Your voice is like an angel's above
The touch of your hand drives me insane
But baby, I want's to be loved I'm crazy 'bout every little, thing you do
I cherish the way you hug
Your kisses so sweet, they just can't be beat
But baby, I want's to be loved Every time I ask ya, for a date
You don't come at all or you mighty late
I ask you to dance, a little spin
You said "wait a minute, daddy, here come my friend" I like the way you walk when you passin' by
Even when you tryin' to snub
You kill me every time you give me the eye
But baby, I want's to be loved Every time I ask ya, for a date
You don't come at all or you mighty late
I ask you to dance, a little spin
You said "wait a minute, daddy, here come my friend" I like the way you walk when you passin' by
Even when you tryin' to snub
You kill me every time you give me the eye
But baby, I want's to be loved
