

# My Rock

## Richie Kotzen

I'm in a desert  
hoping you to arrive, I will see  
    you were my life rope  
    when I was in the deep  
    deep in my head, deep in your eyes  
    into my soul you saved my life  
    I didn't know  
you would be my rock (My Rock, My Rock)  
You take me from the bottom to the top  
    (my Rock, my Rock)  
I'm upon saturn with so many moons  
    you are my precious stone  
    you're coming for me soon  
    out of my dream  
    into my bed  
    into my life  
    you keep me stoned  
because you are my rock (my Rock, my Rock)  
You take me from the bottom to the top  
    (my Rock, my Rock)  
you kiss me on the heart before it stops  
    I was going to give up on myself  
You take me from the bottom to the top  
    (my Rock, my Rock  
    my Rock, my Rock)  
    because you are my rock  
    Show me what you got  
    Baby won't you show me everything?  
I'm following a simple plan with a twist in every thing  
    I'm promising I can be cool  
    oh I'll be the king of cool if you like me  
    I will be your rock, (your Rock, your Rock)  
    I'll take you from the bottom to the top  
    (my Rock, my Rock)  
They're crazy jesus they don't know you're gone  
    you are my rock (my Rock, my Rock)  
Tell me I'm your rock (my Rock, my Rock)  
    touch me like your god  
    and make me feel like god
