Overjoyed

Kathy Troccoli

Lady love, bring it around, girl
We found this love, girl, together so sweet
The moment we let each other see
The deepest feelings people share lady
Sugar you made me change it
Total rearrange it, I can't explain it
But I know it's the real thing, baby
So real to me
And when I tried to run from my destiny
Everybody saw my face but not the best of me
Cause the biggest part of who I am is home with you
And to my angel I wanna make love to ya forever
You go away and I go crazy
Only you make it right for me
(Ooh oh)
Overjoyed over you
For so long I've waited
For someone like you
Overjoyed 'cause I'm lovin' you
It's you and I forever
Time could never measure
Baby, you light my fire
You are desire, you make me so weak
I never felt so special
I can't compare you to another
Sugar, you keep me smiling
Baby, don't stop it, I'm loving this thing
I give you my everything
It's you and I, baby
And no matter what it takes
Boy, I'll stay with you
And I won't stop this feeling
Baby that's the truth
You're the one for me, only you I see
Making sweet love all life long
This love we have is so strong
You and I, we are one
And I won't let you go
Overjoyed over you

For so long I've waited
For someone like you
Overjoyed, 'cause I'm lovin' you
It's you and I forever
Time could never measure
Got me overjoyed
Overjoyed, overjoyed, overjoyed
Overjoyed over you
For so long I've waited
For someone like you
Overjoyed 'cause I'm lovin' you
It's you and I forever
Time could never measure
Overjoyed over you
For so long I've waited
For someone like you
Overjoyed 'cause I'm lovin' you
It's you and I forever
Time could never measure
I got your back, baby
