

# Sentimental Hygiene

Warren Zevon

Every day I get up in the morning and go to work  
And do my job whatever I need some sentimental Hygiene  
Everybody's at war these days let's have a mini-surrender  
I need some sentimental hygieneEverybody's had to hurt about it  
No one wants to live without it  
It's so hard to find it, sentimental hygieneEvery night I come home exhausted  
From trying to get along  
I need some sentimental hygieneSome nights I drive my car  
Up and down the boulevard  
It's so hard to find it sentimental hygieneEverybody's had to hurt about it  
No one wants to live without it  
It's so hard to find it sentimental hygieneSome nights I drive my car  
Up and down the boulevard  
It's so hard to find it sentimental hygiene  
Sentimental hygiene, I need some sentimental hygiene
