When the Time Is Right

Griffin House

It can be a real long road
It can be a lonely night
When you're on your own
And you're running out of lightIt can be a real long ride
When you're running out of timeSo when the time is right
Don't hold back
When the time is right
Don't hold backDoesn't matter who you are
Doesn't matter where you've been
Doesn't matter where you start
Only matters where you endIt can be a real long road
When I'm looking in your eyes
Give me just one more chance
Give me just one more tryWhen the time is right
Don't hold back
When the time is right
Don't hold backDoesn't matter who you are
Doesn't matter where you've been
Doesn't matter where you start
Only matters where you endWhen the time is right
Don't hold back
When the time is right
Don't hold backWhen the time is right
Don't hold back
When the time is right
Don't hold backWhen the time is right
Don't hold back
