

Anniversary

Chase Coy

I know that I'm awake
But I'm dreaming all the same
I know that you are scared
But baby, don't be'Cause it's one thing to say
Everything will be okay
And quite another thing
To believe it I know that sometimes
Things can get so rough
And I know that sometimes
Words are not enough And I know, it's been a hard year
Being apart
But it was better
Than the one before I know that we're okay
But I worry all the same
I know that you are strong
But you don't always have to be'Cause it's one thing to say
Everything will be okay
And quite another thing
To believe it I know that sometimes
Things can get so rough
And I know that sometimes
Words are not enough And I know, it's been a hard year
Being apart
But it was better
Than the one before
