

# Eyes Of A Woman

[Tim Mcgraw](#)

He was rough, he was tough  
And he drank his whiskey straight  
He would fight every night  
If he didn't get his way  
She was kind, she could find all the good in everyone  
And then one day she passed his way, he felt reborn in that morning sun  
He saw her face, she called his name  
And from that moment he knew he'd never be the same  
What you can find in the eyes of a woman  
Is a reason to believe  
Look deep inside the eyes of a woman  
See the man you wanna be  
I'd been down, kicked around, the world had got the best of me  
Out of rope, little hope I'd ever get back on my feet  
She took my hand, said yes, you can  
One look at her and I'm a brand-new man  
What you can find in the eyes of a woman  
Is a reason to believe  
Look deep inside the eyes of a woman  
See the man you wanna be  
When I feel the need for inspiration  
With just one look I've found my salvation  
What you can find in the eyes of a woman  
Is a reason to believe  
Look deep inside the eyes of a woman  
See the man you wanna be  
See the man you wanna be  
See the man, see the man you wanna be
