

Lucky Day (Live at Liverpool Echo Arena)

Nicola Roberts

Could it be my, could it be my,
Could it be my, my Lucky Day I like a phone call,
I like to hear something like this.
Woah, Woah, Woah, Woah. A conversation,
That maybe leads into a kiss (aha)
Mwoah, Mwoah, Mwoah, Mwoah. Aah, Say that you love me,
Say that you need me too.
Best you ever had. It could be so easy,
for you to please me, baby.
So how come you tease me?
You told me so what do you say?
Are you gonna take this golden opportunity?
Won't you give it to me, because you've got what I want.
Maybe it's my Lucky Day. Just light the first spark,
And watch the fireworks explode.
Boom boom, baby. You've got a fast car,
So why the hell we're driving slow?
Zoom, Zoom, Zoom me. Kisses on my pillow,
I've hundreds of those, though.
I want something more. So congratulations,
Let's mark the occasion, the day when
I get my way, and
You told me so what do you say?
Are you gonna take this golden opportunity?
Won't you give it to me, because you've got what I want.
Maybe it's my Lucky Day. Uhu, ow.
Gonna be my Lu-uh-uh-uh
My Lucky Da-ay, My Lucky Day.
What do you say?
Are you gonna take this golden opportunity?
Just give it to me, because you've got what I want.
Maybe it's my Lucky Day, My, My Lucky Day
Could it be my, could it be my,
Could it be my Lucky Day (day, day, day, Maybe it's my Lucky Day) You told me so what do you say?
Are you gonna take this golden opportunity?
Won't you give it to me, because you've got what I want.
Maybe it's my Lucky Day. My day, day, day, Maybe it's my Lucky Day Day Day
