

Wishing You Were Somehow Here Again

George Carlaw

Little Lottie thought of everything and nothing
Her father promised her that he
Would send her The Angel Of Music
Her father promised her
Her father promised her You were once my one companion
You were all that mattered
You were once a friend and father
Then my world was shattered Wishing you were somehow here again
Wishing you were somehow near
Sometimes it seemed if I just dreamed
Somehow you would be here Wishing I could hear your voice again
Knowing that I never would
Dreaming of you won't help me to do
All that you dreamed I could Passing bells and sculptured angels
Cold and monumental
Seemed for you the wrong companions
You were warm and gentle Too many years fighting back tears
Why can't the past just die? Wishing you were somehow here again
Knowing we must say good bye
Try to forgive teach me to live
Give me the strength to try No more memories no more silent tears
No more gazing across the wasted years
Help me say good bye
