

In the Sea

Ingrid Michaelson

I feel it in my skin, I feel it through my bones
Your fingertips are falling far from where I know
I try to pin you down but you move like a dream
I want to find you but you dropped me in the sea In the sea in the sea in the sea
You dropped me in the sea in the sea in the sea in the sea No no don't rescue me
I like the salt water sting
It feels so good to feel
It feels so good just to feel something
In the sea in the sea in the sea in the sea You move so softly in the middle of the night
Like a cocoon in sheets you wrap you up so tight
Remember how we used to tangle up and breathe
Now you're so far away you roll me in the sea In the sea in the sea in the sea
You dropped me in the sea in the sea in the sea in the sea No no don't rescue me
I like the salt water sting
It feels so good to feel
It feels so good just to feel something
In the sea in the sea in the sea in the sea Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh No no don't rescue me (Oh oh oh oh)
I like the salt water sting (Oh oh oh oh)
It feels so good to feel (Oh oh oh oh)
It feels so good just to feel something (Oh oh oh oh)
In the sea in the sea in the sea in the sea
In the sea in the sea in the sea
