High Water

Jacob Augustine

It survives
I think it?s nice
To drive around till you?re blind
Young and old
Scared or bold
You?re what you want with your time
I wanna go sorry
Well I, I?m sorry too

Right or wrong
Which side I?m on
The earth won?t ever let it slide
Lonesome man
He?s got a plan
To end it all before his time
I wanna go sorry
Well I, I?m sorry too.
