Forever

Rudeejay

I'm falling
In the blackest night
But I'm not worried
I'm alive

I'm driving
At my highest speed
There's only one thing that I need

Shouting, screaming
Lights and feelings
Waiting for a time to get off the ground

Always believing that life has a meaning
And freedom is a state of mind

Forever young
Forever wild
We won't stop dreaming of a different life

Forever young
Forever child
'Cause we believe in everlasting nights

I'm walking
With my brightest smile
'Cause I know I will meet you there

You've promised
An eternal creed
There's only one thing that we need

Shouting, screaming
Lights and feelings
Waiting for a time to get off the ground

Always believing that life has a meaning
And freedom is a state of mind

Forever young

Forever wild
We won't stop dreaming of a different life

Forever young
Forever child
'Cause we believe in everlasting nights

Forever young
Forever wild
We won't stop dreaming of a different life

Forever young
Forever child
'Cause we believe in everlasting nights...
