

I Wanna Be Loved By You

Helen Kane

I wanna be loved by you
I wanna be loved by you
Hi, I'm Danny, and I'm a Taurus
And I wanna be loved by you, do you wanna be loved by me?
If you do, check this out, sounds good to you, don't it?
Oh baby, I just got to let you know
I wanna be loved by you
I wanna be loved by you
I'm Jon, and I'm a Sagittarius
And I really, really wanna be loved by only you
And I want you to only love me too
And if this is the way it's gonna be, girl, then check me out
I wanna be loved by you, baby
I wanna be loved by you
I wanna be loved by you
Yeah, I know, I know, I'm young
I might be young, but I'm not too young to let you know how I feel
I'm Joe and I'm a Capricorn
And if you can relate to that, then check this out
Oh, girl, I wanna be loved, loved by you baby
I wanna be loved by you
I wanna be loved by you
I'm Donnie, a lovable Leo
And rather than tell you how I feel, I'm gonna sing it for you, baby
I wanna be loved by you girl
I wanna take you by the hand and make you understand
I wanna be loved by you
I wanna be loved by you
Well, I guess they saved the best for last
I'm Jordan, and I'm a Taurus
And if you think you know everything about me, then check this out
I wanna be loved by you baby, by you baby
I wanna be loved by you
I wanna be loved by you
