Shut de Do

Randy Stonehill

Shut de do, keep out de debil
You shut de do, keep de debil in de ni-eet
Shut de do, keep out de debil
Light de candle everything's alright
Light de candle everything's alrightWhen I was a baby child
(Shut de do, keep out the debil)
Good and bad was just a game
(Shut de do, keep the debil in de ni-eet)
Many years and many trials
(Shut de do, keep out the debil)
They proved to me they not the same
(Shut de do, keep the debil in de ni-eet)I say shut de do, keep out de debil
Shut de do, keep de debil in de ni-eet
Shut de do, keep out de debil
Light de candle everything's alright
Light de candle everything's alrightOh, Satan is an evil charmer
(Shut de do, keep out the debil)
He's hungry for a soul to hurt
(Shut de do, keep the debil in de ni-eet)
And without your holy armor
(Shut de do, keep out the debil)
He will eat you for dessert
(Shut de do, keep the debil in de ni-eet)Shut de do, keep out de debil
You shut de do, keep de debil in de ni-eet
Shut de do, keep out de debil
Light de candle everything's alright
Light de candle everything's alrightHey, hey, hey shut de do
Hey, hey, hey shut de do
Hey, hey, hey, you gotta shut de do
Say a prayer he will be back no moreMy mama used to sing this song
(Shut de do, keep out the debil)
Oh poppa used to sing it too
(Shut de do, keep the debil in de ni-eet)
Jesus called and took them home
(Shut de do, keep out the debil)
And so I sing the song for you
(Shut de do, keep the debil in de ni-eet)Shut de do, keep out de debil
You shut de do, keep de debil in de ni-eet
Shut de do, keep out de debil

Light de candle everything's alright
Light de candle everything's alrightI said you shut de do, keep out de debil
You shut de do, keep de debil in de ni-eet
Shut de do, keep out de debil
Light de candle everything's alright
Light de candle everything's alright
Light de candle everything's alright
Light de candle everything's alright
