

# Ladies Night

## Piggy D

Ooh, oh yeah yeah  
Oh what a night  
It's ladies night  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight, come on, girls  
Girls, we've all got one  
A night that's special everywhere  
(Everywhere)  
From New York to Hollywood  
It's ladies night and girl  
The feeling's good  
Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night  
Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright  
Romantic lady, ooh, oh yeah, single baby  
Sophisticated mama  
Come on you disco, baby, yeah, yeah  
Stay with me tonight  
If you hear any noise  
It ain't the boys, it's ladies night  
Come on, girls  
Gonna step out ladies night  
Steppin' out ladies night  
Gonna step out ladies night  
Steppin' out ladies night  
Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh, what a night, oh, what a night  
On disco lights your name will be seen  
You can fulfill all your dreams  
Party here, party there, everywhere  
This is our night, ladies, you got to be there  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright
