

Blind (Hercules Club mix)

Hercules and Love Affair

As a child, I knew
That the stars could only get brighter
And we would get closer
Get closer, mmmAs a child, I knew
That the stars could only get brighter
That we would get closer
Leaving this darkness behindOohNow that I'm older
The stars should lie upon my face
When I find myself alone
Find myself alone, oohNow that I'm older
The stars should lie upon my face
And when I find myself alone
I feel like I, I am blindFeel it
Feel it
Feel it
Feel it
Like I am blindI wish the stars could shine now
For they are closer, they are near
But they will not present my present
They will not present my presentI wish the light could shine now
For it is closer, it is near
But it will not present my present
And it makes my past and future painfully clearTo hear you now
To see you now
I can look outside myself
And I must examine my breath and look inside, oohTo see you now
To hear you now
I can look outside myself
And I must examine my breath and look inside
Because I feel blind
Because I feel blindI feel it
I feel it
I feel it
Like I, I'm blindOoh, the movie will
Mmm, and feel it
Ooh, I feel it
Feel it
Feel it, feel it

Ooh, I feel it
