

Ring The Bells

James

Ring, ring the bells
Wake the town, everyone is sleeping
Shout at the crowd, wake them up
This anger's deeper than sleepGot to keep awake to what's happening
I can't see a thing through my ambition
I no longer feel my God is watching over me
Got to tell the world we've all been dreaming
This is not the end, a new beginning
I no longer feel my God is watching over meBreak, break the code
Concentrate, let the doors swing open
See through all your walls, all your floors
Now you're in deeper than sleepGot to keep awake to what's happening
I can't see a thing through my ambition
I no longer feel my God is watching over me
Got to tell the world we've all been dreaming
This is not the end, a new beginning
I no longer feel my God is watching over me
