

All Hell Breaks Loose

Misfits

Walls start closing in around you
My twins of evil
They shake you by the collarbone
Then snap your ribcage And broken bodies in a death rock dance hall
Please be my partner
Eyeballs pop, accelerated blood beat
Veins 'a' shaking And all hell breaks loose
Yea, evil is as evil does and who
Yea, who but me could write this book of cruell I send my murdergram
To all these monster kids
It comes right back to me and it's
Signed in there parents' blood And all hell breaks loose
Yea, my heart is a-breaking loose
Yea, my whole world's breaking loose
Yea, and evil is as does and who
Yea, but who but me could write this book of cruell I send my mudergram
To all these monster kids
It comes right back to me and it's
Signed in their parents blood
And broken bodies in a death rock dance hall
Please be my partner
And eyeballs pop, accelerated blood beat
Veins a-shaking And all hell breaks loose
Yea, my heart is a-breaking loose
Yea, my whole world's breaking loose
Yea, evil is as evil does and who
Yea, but who but me could write this book of cruell I said my whole world's breaking loose
Yea, my whole world's breaking loose
Yea, my whole world's breaking loose
Yea, my whole world's breaking
All hell breaks loose
