

# Always Look On the Bright Side of Life

## Monty Python

Some things in life are bad  
They can really make you mad  
Other things just make you swear and curse  
When you're chewing on life's gristle  
Don't grumble, give a whistle  
And this'll help things turn out for the best...  
And.....always look on the bright side  
of life...  
(Whistle)Always look on the light side  
of life...  
(Whistle)If life seems jolly rotten  
There's something you've forgotten  
And that's to laugh and smile and dance and sing  
When you're feeling in the dumps  
Don't be silly chumps  
Just purse your lips and whistle  
- that's the thing.  
And...always look on the bright  
side of life...  
(Whistle)Come on.Always look on the right side  
of life...  
(Whistle)For life is quite absurd  
And death's the final word  
You must always face the curtain  
with a bow  
Forget about your sin - give the  
audience a grin  
Enjoy it - it's your last chance  
anyhow.So always look on the bright side  
of death...  
(Whistle)a-Just before you draw your terminal breath...  
(Whistle)Life's a piece of shit, when you look at it  
Life's a laugh and death's a joke, it's true  
You'll see its all a show, keep 'em laughin as you go  
Just remember that the last laugh is on youAnd...  
Always look on the bright side  
of life...  
(Whistle)Always look on the right side  
of life...C'mon Brian, cheer upAlways look on the bright side

of life...Always look on the bright side  
of life...Worse things happen at sea you know.I mean - what have you got to lose?

You know, you come from nothing  
- you're going back to nothing.

What have you lost? Nothing.Always look on the right side  
(I mean) of life...what have you got to lose?

You know, you come from nothing  
- you're going back to nothing.

What have you lost?Always (Nothing.) look on the right side of life...Nothing will come from nothing ya know  
what they say?

Cheer up ya old bugga c'mon give us a grin!  
There ya go, see!Always look on the right side of life...  
(Cheer up ya old bugga c'mon give us a grin! At same time)There ya go, see!
