

# That's the Way It's Got To Be (Body And Soul)

## Soul Generation

Ooh, ooh, baby  
You've just got to understand  
You're no longer dating a boy  
You've got a man on your hands

Don't matter when you fear  
Come to me, my dear  
If you're woman enough  
To show me that you care

'Cause I want you  
Body and soul  
That's the way it's got to be, hey  
Body and soul  
Ooh, baby, set aside your pride  
'Cause I'm ready to say I do  
Take you for my bride (Take you for my bride)  
Body and soul

I'm quite aware  
Of what I'm asking of you  
And I don't think it's a crime  
Asking you to be mine

I really love you  
And love is beautiful  
Together, girl and boy  
A joy that's wonderful

And I need  
Body and soul (Body and soul)  
That's the way it's got to be (That's the way it's got to be, yeah...)  
Body and soul (Body and soul)  
Ooh, baby, come to me  
'Cause I'm ready to say I do  
Take you for my bride (Take you for my bride)  
Take you for my bride  
Body and soul

That's the way it's got to be (That's the way it's got to be, yeah)

That's the way it's got to be (You know it's got to be that way)

That's the way it's got to be

Body and soul (Body and soul)

That's the way it's got to be (That's the way, that's the way, that's the way)

Body and soul (Body and soul)

Ooh, baby, come to me (Ooh, baby, come to me, oh)

Body and soul (Body and soul)

That's the way it's got to be (That's the way, that's the way, that's the way)

Body and soul (Body and soul)

Ooh, baby, come to me (Ooh, baby, come to me, oh)

Body and soul (Body and soul)

That's the way it's got to be
