Stay

Onelinedrawing

What if we walked all the way home
What if we said we weren't alone
What if all this was never done
What if you said none of us wonHonestly, I wouldn't say stay.What'd you want? I didn't hear.
What'd you buy?
What do you fear?
What'd you leave?
and what'll it cost to get it all back
When you're always lostHoestly, I wouldn't say this againStay
