

In My Time of Need (Remixed)

Opeth

I can't see the meaning of this life I'm leading
I try to forget you as you forgot me
This time there is nothing left for you to take
This is goodbye Summer is miles and miles away
And no one would ask me to stay And I, should contemplate this change to ease the pain
And I, should step out of the rain, turn away Close to ending it all I am drifting through the stages
Of the rapture born within this loss
Thoughts of death inside
Tear me apart from the core of my soul Summer is miles and miles away
And no one would ask me to stay And I, should contemplate this change to ease the pain
And I, should step out of the rain, turn away At times, the dark's fading slowly but it never sustains
Would someone watch over me, in my time of need Summer is miles and miles away
And no one would ask me to stay And I, should contemplate this change to ease the pain
And I, should step out of the rain, turn away And I, should contemplate this change to ease the pain
And I, should step out of the rain, turn away
