

Runaway

The National

There's no saving anything
Now we're swallowing the shine of the sun
There's no saving anything
How we swallow the sunBut I won't be no runaway
'Cause I won't run
No, I won't be no runawayWhat makes you think I'm enjoying
Being led to the flood?
We've got another thing coming undone
And it's taking us overWe don't bleed when we don't fight
Go ahead, go ahead, throw your arms in the air tonight
We don't bleed when we don't fight
Go ahead, go ahead, lose our shirts in the fire tonightWhat makes you think I'm enjoying
Being led to the flood?
We got another thing coming undoneBut I won't be no runaway
'Cause I won't run
No, I won't be no runaway
'Cause I won't run
No, I won't be no runawayWhat makes you think I'm enjoying
Being led to the flood?
We've got another thing coming undone
And it's taking us overWe don't bleed when we don't fight
Go ahead, go ahead, throw your arms in the air tonight
We don't bleed when we don't fight
Go ahead, go ahead, lose our shirts in the fire tonightBut what makes you think I'm enjoying
Being led to the flood?
We got another thing coming undone
We got another thing coming undone
And it's taking foreverI'll go braving everything
With you swallowing the shine of the sun
I'll go braving everything
Through the shine of the sunBut I won't be no runaway
'Cause I won't run
No, I won't be no runaway
'Cause I won't run
No, I won't be no runawayWhat makes you think I'm enjoying
Being led to the flood?
We've got another thing coming undone
And it's taking us overWe don't bleed when we don't fight
Go ahead, go ahead, throw your arms in the air tonight

We don't bleed when we don't fight
Go ahead, go ahead, lose our shirts in the fire tonight
What makes you think I'm enjoying
Being led to the flood?
We got another thing coming undone
We got another thing coming undone
And it's taking us over
And it's taking forever
