

Don't Ya Wish U Were Us?

Chris Brochu

my girl is hotter then then your girl
you know it you know it
my ride is sweeter then your ride
you know it, you know it don't ya wish u were us(us)
don't ya wish u were us(us) you know we own this party
you know we run this town
I'm about to steal your girlfriend
I'm about to knock you down sorry but your train has left the station
maybe u should try a permanent vacation
never even got an invitation did ya? did ya? CHORUS
hey! (hey) what!?(what)
don't ya wish u were us
hey! (hey) what? (what)
don't ya wish you could rock
you're M.I.A., we're V.I.P
you're LOL we're BIG
no one really likes you that much
don't ya wish that u were us
yeah. don't ya wish u were us Yeah I score in every game now
you know it , you know it
you ride the pine for nine now
you blew it , you blew it don't ya wish u were us(us)
don't ya wish u were us(us) you know we rule this beach yo
we kick sand in your face
we're gonna crash your birthday
and eat up all your cakes sorry but your train has left the station
maybe u should try a permanent vacation
you're a member of the loser nation
loser, loser CHORUS
hey! what!?! don't ya wish u were us
hey! what? don't ya wish you could rock
you're M.I.A., we're V.I.P
you're L.O.L. we're BIG
no one really likes you that much
don't ya wish that u were us
