

Sinister Foxx

The Breeders

No one break for me, I just got life
I'm in beer class every Thursday night

I was choppered out of sea life, bad advice filled the air
Valour, ready, fight, go on, get the mayor

Jumped tank and leavin' broth of thieves
Has anyone seen the iguana?
Has anyone seen the iguana?

No one broke for me, I just got life
I'm in cedars every single night

Swarmed and choppered out of sea life
Has anyone seen the iguana?
Has anyone seen the iguana?

Has anyone seen the iguana?
Has anyone seen the iguana?
Has anyone, has anyone seen the iguana?
